

Huron Valley Pools and Fitness Kidz Club

Parent Information

Dear families, Welcome to Kidz Club! We are so happy to offer this program to make healthy lifestyles easier. Here are a few key points to keep in mind:

- Kidz Club is open to children K-5th grade. Parents must stay on the premises, but are welcome to workout in our facility while their children are in our care. Please indicate where in our facilities you plan on working out. If your child needs you we need to know where find you.
- **Hours are 5pm-8pm Monday –Thursday.**
- Children may bring drinks in a non-breakable container, and nut-free snacks. Children should not share snacks with other children due to allergy concerns.
- Children may bring homework, reading materials, projects, or devices to entertain themselves, but it should be age appropriate. Kidz Club attendants will do their best to ensure items are safe and content is appropriate, but we are not responsible for devices or content watched.
- Kidz Club participants will not be permitted to use family or mens/womens locker room. For their safety and supervision, we will direct them to use the staff bathroom that is located in the Lap pool office. They must be able to use the bathroom independently. They must use the restroom alone. No one will enter the bathroom while they are in the bathroom.
- If a child wants to swim, they may complete a swim test with a lifeguard. The parent will take the sheet indicating they passed to the front desk, and then it will be noted on their account that they are approved for Kidz Club swimming. From that point on, you may ask for a swimming wristband when you are dropping off your child for Kidz Club. They will need to bring all items with them to Kidz Club, and provide their own towels.
- The cost for the program is \$5.00 for a drop in, and \$2.50 for each additional child. Another option is to pay a flat rate of \$25.00 for a month of unlimited visits (+\$12.50 for each additional child) Sorry, we cannot pro-rate for a portion of a month.
- We invite you to sign up for our REMIND system of Text/email notifications so you can be notified of any changes to our schedule or Kidz Club availability. There may be occasions where due to events, inclement weather, or staffing issues we may have to cancel. Go to remind.com/join/hvpf to sign up for fitness class updates, and remind.com/join/hvpfpools for facility updates! You may also sign up at the service desk at either location.
- **If you have any other questions, please contact Michelle Merrick, Aquatics and Programming Manager, at michelle.merrick@hvs.org or call the Lakeland or Milford Pools and Fitness Centers for immediate assistance.**
